FODAC ANNUAL REPORT 2020-2021
Your financial support or partnership with Friends of Disabled Adults and Children allowed us to provide over 2 million PPE items during a critical time of the pandemic. These items were sent across Georgia, including local schools, GEMA and FEMA, keeping families safe.

Sincerely,

Chris Brand, President & CEO
Your support made it possible for DeKalb, Clayton, Fulton and APS students to be safe when they reopened.

Over one million masks distributed!
COVID Relief

The world shut down, but FODAC stepped in by...

- Pivoting services to help serve a broader population in need.
- Serving as a warehouse distribution site for partners and companies who wanted to donate supplies.
- Providing nearly $4 million worth of N95 masks, ventilators, CPAPs, nebulizers, concentrators, tracheotomy supplies, hospital beds and PPE.
- Delivering much needed equipment to Grady, Northside, Emory, Piedmont and dozens of other hospitals.
- Provided supplies for GEMA state-wide and FEMA to assist healthcare workers in the U.S. Virgin Islands.

"FODAC is considered an essential service during the COVID-19 crisis." Sarah Jackson, Community Partnership Manager for the Georgia Emergency Management Agency.
Mission

• To provide home medical equipment (HME) such as wheelchairs and hospital beds at little or no cost to individuals with disabilities and their families.

• To enhance the quality of life for people of all ages who have any type of illness or physical disability.

• Since 1986, FODAC has distributed more than $250 million in value of equipment to 50 States, 4 U.S. Territories and 82 Countries.
Keeping People With Disabilities Moving in 2020-2021
